

AFFIDAVIT

I have read the Design-Build Procurement Act, West Virginia Code §5-22A-2, and the related Legislative Rules, 148-CSR-11, and I am familiar with the contents and requirements set forth therein. Should the project outlined on my "Application for Project Consideration" be approved by the Design-Build Board, I agree to follow the rules and regulations outlined in the Statute and Legislative Rules. I agree that the Criteria Developer selected will be a licensed Architect or Engineer in the State of West Virginia. I also agree to confirm that all contractors and major subcontractors working on the subject Design-Build project meet the criteria for being in good standing and licensed in the State of West Virginia. I further agree to complete a monthly status report provided by the Design-Build Board detailing the progress of the subject project until the project is complete. I agree to appear before the Design-Build Board should the subject project fail to meet the requirements set forth by law or by the Board. I understand that failure to meet the requirements may result in the Board withdrawing its approval for the subject project and that the agency may not proceed with the subject project as a Design-Build project.
